

Wolfram Hoefler, Dr.-Ing.

Associate Professor and Chair
Department of Landscape Architecture
School of Biological and Environmental Sciences
Rutgers, The State University of New Jersey,
93 Lipman Drive,
New Brunswick, NJ 08901-8524
(732) 932-9313
whoefler@sebs.rutgers.edu

Education

Highest Earned Degree

Doktor-Ingenieur Landschaftsarchitektur, (*doctor of engineering*)
Technische Universität München. 2000

Dissertation

Natur als Gestaltungsfrage. Zum Einfluß aktueller gesellschaftlicher Veränderungen auf die Idee von Natur und Landschaft als Gegenstand der Landschaftsarchitektur. München.

Nature as a design issue. About the influence of current changes in society on the idea of nature and landscape as an object of landscape architecture.

Published: Herbert Utz Verlag, München, 2001

Other Earned Degrees

Licensed as Professional Landscape Architect in Bavaria, Germany, 2003

Diplom-Ingenieur Landschaftsplanung Technische Universität Berlin. 1993
At that time German equivalent of Masters of Landscape Planning

Gärtner im Garten- und Landschaftsbau. Hessisches Landesamt für Ernährung, Landwirtschaft und Landentwicklung.

State exam for professional degree as gardener, focus landscape industries

Employment History

Positions Held

- | | |
|--------------|--|
| 2012-ongoing | Associate Professor. Department of Landscape Architecture, School of Biological and Environmental Sciences, Rutgers University. New Brunswick, NJ |
| 2006-2012 | Assistant Professor. Department of Landscape Architecture, School of Biological and Environmental Sciences, Rutgers University. New Brunswick, NJ |
| 2004-2005 | Project Manager for Regional Aspects and Traffic, Federal Garden Show Munich 2005 PLC
<i>Bundesgartenschau München 2005 Gmb"</i> |
| 1995-2003 | Wissenschaftlicher Assistent (equal Senior Lecturer), with Prof. Peter Latz, Chair of Landscape Architecture and Planning, Wissenschaftszentrum Weihenstephan (Center of Life and Food Sciences), Technische Universität München |
| 1993-95 | Landscape Planner with Fugmann/Janotta Landscape Architects, Berlin
Responsible project manager: environmental planning at an urban design scale, park management, historic garden preservation consulting. |
| 1986 | Landscape gardener with Coppings Landscapes Ltd. London |
| 1984-86 | Apprenticeship as landscape gardener with Hermann Kretz, Garten und Landschaftsbau. Haiger, Germany (<i>Landscape contractors</i>) |

* Please note that for all degrees and scholarship developed in German, an English translation of the title is added in italics.

Titles within Positions Held

- 2017-ongoing Chair, Department of Landscape Architecture, School of Biological and Environmental Sciences, Rutgers University. New Brunswick, NJ
- 2015-2017 Graduate Program Director, Department of Landscape Architecture, School of Biological and Environmental Sciences, Rutgers University. New Brunswick, NJ
- 2012-2014 Undergraduate Program Director for both BSLA and EP&D, Department of Landscape Architecture, School of Biological and Environmental Sciences, Rutgers University. New Brunswick, NJ
- 2014-ongoing Founding Co-Director, Rutgers Center for Urban Environmental Sustainability.
- 1995-2003 ERASMUS coordinator for Landscape Architecture and Planning, Wissenschaftszentrum Weihenstephan (Center of Life and Food Sciences), Technische Universität München

Visiting Positions Held

- 05-06/2014 Visiting Professor for Contemporary Landscape Architecture Universität für Bodenkultur Wien (University of Natural and Life Sciences, Vienna)
- 2003-2004 Visiting Professor Landscape History and Landscape Aesthetic Dept. of Architecture, Urban Design and Landscape Architecture, Universität Kassel,
- 02-04/2001 Visiting Assistant Professor Department of Landscape Architecture, Cook College, Rutgers University. New Brunswick, NJ

History of Grant Support

City of New Brunswick: New Brunswick Parks Strategic Plan. Funded by Johnson & Johnson. In collaboration with Bloustein School of Planning and Public Policy and Trust for Public Land. \$ 53,555. Co- Investigator. Principle Investigator Jeanne Herb, Bloustein School of Planning and Public Policy Awarded 2017. Approximately 40% effort.

Bergen County: Bergen County Parks Master Plan. In collaboration with Bloustein School of Planning and Public Policy and private sector partners. \$ 365,000. Principal Investigator. Awarded 2016.

Bergen County: Bergen County Parks Master Plan. Inventory and Analysis of Individual Parks. \$ 28,000. Principal Investigator. Awarded 2016.

Stantec Research & Development Fund, Climate Resilience: Development of a Decision-Model and Guidance Document with Adaptive Strategies for Living Seawalls for Northern New Jersey Coastal Communities. \$ 15,000 Principal Investigator. Awarded 2014

- Middlesex County Improvement Authority, Perth Amboy Second Street Community Park Concept Plan. \$ 90,000 awarded for 2014. Submitted as Co-Investigator. Principle Investigator Jon A. Carnegie, Bloustein School of Planning and Public Policy
Approximately 60% effort.
- Voorhees Township, NJ. Landscape Architecture & Design Proposal Voorhees Environmental Park (Landfill). \$ 20,000 awarded for 2013-201. Principal Investigator,
- Voorhees Township, NJ. Landscape Architecture & Design Proposal Voorhees Environmental Park (Landfill). \$ 32,791 awarded for 2010-2012. Principal Investigator, In collaboration with the Rutgers Water Resources Program.
- Dodge Foundation. Developing a Center for Urban Environmental Sustainability (CUES) at Rutgers. \$ 35,000 awarded for 2001/2011. Submitted as Co-Investigator. Principle Investigator Beth Ravit, Department of Environmental Sciences, Co-Investigator Dr. Chris Obropta, Dept of Environmental Sciences.
Approximately 40% effort.
- National Science Foundation, Behavior and Cognitive Science, Long Term Ecological Research Program, : Connectivity Along Urban Rivers: A Keystone Process for Urban Ecosystems, \$299,886, September 2009-March 2012. Lead PI, Joan Ehrenfeld, co-investigators: Kirk R Barrett, Nina H Fefferman, Wolfram Hoefler, Karen O'Neill, Rachael L Shwom,
- County of Bergen, NJ. Waterworks at Oradell, Cultural Landscape Study and Public Outreach Proposal. \$ 53,780 awarded for 2009-2012. Principal Investigator, Co-PI Beth Ravit, Department of Environmental Sciences.
- Dodge Foundation. Developing a Center for Urban Environmental Sustainability (CUES) at Rutgers. \$ 20,000 awarded for 2009/2010. Submitted as Co-Investigator. Principle Investigator Beth Ravit, Department of Environmental Sciences, Co-Investigator, Dr. Wolfram Hoefler, Dr. Chris Obropta,
Bavarian Secretary of Economy, Environmental Planning Authority. "Konzeption projektorientierter Raumentwicklung im Kontext regionaler Großereignisse" (Concepts for Regional Events as an Instrument to Develop Urban and Suburban Spaces). 2004-2005. (PI, Collaboration with A. Gebhard BUGA 2005, and U. Bernard Munich Regional Planning Authority)
- Bavarian Secretary of Internal Affairs, Building Authority. "Naturnaher Umgang mit Regenwasser" (Natural Rainwater Management). 1997-1999. (Co-PI, Collaboration with G. Bartholmai, and P. Latz)

Honors and Awards

- | | |
|---------|---|
| 2013 | Merit Award, Category Unbuilt Project:
Voorhees Environmental Park—Concept for a Solar Park on a Landfill.
American Society of Landscape Architects, New Jersey Chapter |
| 2011 | Teaching Excellence Award, School of Environmental and Biological Sciences, Rutgers, the State University of New Jersey |
| 2011 | Finalist, National Great Places Award for Place Research, Environmental Design Research Association (EDRA) |
| 2001 | Deutscher Akademischer Austauschdienst, Reisestipendium
<i>German Academic Exchange Service, travel grant</i> |
| 1988-89 | Fulbright Scholarship. Department of Landscape Architecture, School of Architecture and Allied Arts University of Oregon, Eugene, OR |

Public Lectures

- 2/17/2017 Conference Keynote: Landscape Urbanism in the Age of Resiliency. Conference: Water Resilient Urban and Regional Development Transforming City Regions & The Urban Research Network New York. February 16 to February 18, The German House, New York.
- 9/22/2016 The Un-Designed as Design Strategy. Conference: Crossroads in the Urban Jungle- Experiences and Explorations of Urban Plants and People. Rutgers University New Brunswick
- 11/29/2016 Landscape Architecture Design for Urban Brownfields, Case Studies. Urban Extension Conference, Rutgers University Newark, Newark, NJ.
- 10/20/2016 The Aesthetics of Suburban Second Hand Landscapes Conference: Beyond Ism. The Landscape of Landscape Urbanism. Swedish University of Agricultural Sciences (SLU), Alnarp Campus. October 19 to October 21, Malmö, Sweden
- 6/10/2016 Designing Resilient Parks in Perth Amboy, NJ. Conference: RU on the Raritan. 8th Annual Sustainable Raritan Conference. Rutgers University. June 10, New Brunswick, NJ.
- 03/18/2016 Urban Public Lands. Challenges and Opportunities. Panel presentation with Greg Remaud, NY/NJ Baykeeper, Beth Ravit, CUES, Zenon Tech-Czarny, CUES. Conference: 2016 NJ Land Conservation Rally. Trenton, NJ.
- 02/23/2016 From NJDEP to LSRP. Evaluating the New Jersey Brownfield Remediation Process. Presentation with Kimberly Tryba, MLA Candidate. Annual meeting of the American Society of Landscape Architects, New Jersey Chapter, Atlantic City, NJ
- 06/16/2015 Center for Urban Environmental Sustainability Interdisziplinäre Forschung und Lehre als Unterstützung lokaler Umweltinitiativen in New Jersey. Academic Lecture: Essen University.
- 06/12/2015 Reinventing the Garden State. Non-Profit Initiatives for Resilient Green Infrastructure in New Jersey as one possible approach for the Ruhr Area. Conference Transforming City Regions. TU Dortmund University, June 11 to June 13. Essen, Germany.
- 06/03/2015 Challenges and Solutions of Brownfield Reuse Designs in New Jersey. Academic Lecture: Akdeniz University, Antalya, Turkey.
- 03/26/2015 Sustainable Design: Solar Park on a Landfill. Public presentation for local residents, Centennial Mill, Voorhees, NJ.
- 06/04/2014 Prozess, Projekt und Protagonisten. Gestaltentwicklung als interdisziplinären Prozess: Räumliche Lösungen im Spannungsfeld zwischen Bürgerwillen, Verwaltungshandeln, ökonomischen Zwängen und ökologischen Bedingungen. Öffentlicher Vortrag an der Universität für Bodenkultur Wien.
- 03/29/2014 Resilient Design Education. Annual meeting of The Council of Educators in Landscape Architecture (CELA), March 26 - March 29. Baltimore, MD.
- 01/28/2014 Integrating Service Learning in the Design Process with an Interdisciplinary Approach. Annual meeting of the American Society of Landscape Architects, New Jersey Chapter, Atlantic City

- 01/23/2014 Living With Water. Annual Meeting of the American Planning Association, New Jersey Chapter. New Brunswick, NJ.
- 10/07/2013 Sustainable Design. Chatham University Pittsburgh, PA
- 03/29/2013 Solar Park on a Landfill -- Integrating Service Learning and Community Impact in the Design Process. Annual meeting of The Council of Educators in Landscape Architecture (CELA), March 28 - March 31. Austin, TX.
- 03/11/2013 Morality of Green Why Germans care so much about their landscape. German Studies colloquium series at Stanford University. Stanford, CA.
- 03/29/2012 From Brownfields to Postindustrial Landscapes. Evolving Concepts in North America and Europe. Annual meeting of The Council of Educators in Landscape Architecture (CELA), March 28 - March 31. Champaign/Urbana
- 05/19/2011 Re-Inventing the Passaic Riverfront. The Design Studio as Laboratory. Green Solution for Urban New Jersey—2011 Conference, Center of Urban Sustainability. Newark, NJ.
- 04/29/2011 Community Conflict as Promoter for Progress: The Hackensack Water Works at Oradell, NJ as a Critical Case Study for Service Learning. Second Erasing Boundaries Symposium: Community Matters. New York City, NY.
- 03/31/2011 Loving Nature Makes Trouble The Hackensack Waterworks as a Case Study for Public Outreach Involving Student Work. Annual meeting of The Council of Educators in Landscape Architecture (CELA), March 30 - April 02. Los Angeles
- 09/10/2010: From Blight to Bright: Solutions for Adaptive re-use of Postindustrial Sites American Society of Landscape Architects National Conference, Washington, D.C.
- 5/12/2010: Perception and Re-Use of Landfills Coast to Coast in North America. With Daniel Roehr, University of British Columbia, Canada. Annual Meeting of The Council of Educators in Landscape Architecture(CELA) May 12-14.2010, Maastricht. The Netherlands
- 5/13/2010: Interdisciplinary Leadership in Brownfield Remediation. Annual meeting of The Council of Educators in Landscape Architecture (CELA) May 12-14.2010, Maastricht. The Netherlands
- 01/29/2009: Individual Exchange or Organized Study Abroad: A Cross Cultural Comparison of Cross Cultural Approaches. Annual meeting of The Council of Educators in Landscape Architecture (CELA), January 28-31, 2009, Tempe, Arizona
- 09/26/2008 The Oranges in New Jersey - Searching for the Postfordist City in the Design Studio. In Search for the Postfordist City: Concepts and meanings of Urban Space and Society. 4th Annual Conference TGK Berlin-New York: New York, NY.
- 07/01/2008 Von Hüten zu Häusern. Zur Reintegration von Altindustriestandorten. *From Hats to Houses - Integrating existing (post-) industrial sites back into the urban context. Case study of a Senior Landscape Architecture Design Studio.* Lecture Series Department of Landscape Architecture and Planning, Technische Universität München.
- 06/04/2008 Brownfield Remediation and Historic Preservation. International Examples. Annual New Jersey Historic Preservation Conference June 4, New Brunswick, New Jersey

- 05/31/2008 From Hats to Houses - Integrating existing (post-) industrial sites back into the urban context. Case study of a Senior Landscape Architecture Design Studio. 39th Annual Meeting of the Environmental Design Research Association (EDRA) May 28 – June 1, 2008, Veracruz, México
- 08/27/2007 Re-use of Brownfields as Cultural . Process Annual meeting of The International Federation of Landscape Architects (IFLA), August 27-31, 2007, Kuala Lumpur & Putrajaya, Malaysia
- 08/18/2007 Approaching Extreme Landscapes. Annual meeting of The Council of Educators in Landscape Architecture (CELA), August 15-19, 2007, Philadelphia
- 01/28/2007 Rust, Remediation and Romanticism. Innovative approaches to brownfields in practice, research and teaching. Annual meeting of the American Society of Landscape Architects, New Jersey Chapter, Atlantic City
- 07/28/2006 Landscape Architecture – Dealing with Brownfields. Panel Presentation Conference Coast the Remediation Highway. New Jersey Department for Environmental Protection
- 02/15.2006 Change of Perspective: Garden Festivals as an Instrument for Urban and Regional Development. Rutgers' Landscape Architecture Speaker Series
- 12/15/2005 Extreme Landschaften. *Extreme Landscapes*. Invited lecture at Universität Kassel
- 06/10/2004 Hermeneutik für Landschaftsarchitekten I. *Hermeneutic for Landscape Architects I*. Visiting Lecture at Universität Hannover
- 06/17/2004 Hermeneutik für Landschaftsarchitekten II. *Hermeneutic for Landscape Architects II*. Visiting Lecture at Universität Hannover
- 11/25/2003 Landschaft in Konversion. *Landscape in Conversion*. Invited lecture at Universität Kassel
- 11/15/2002 Von der Schönen Blume. Gedanken über die Schönheit von Pflanzen mit Bezug auf Immanuel Kant. *About the beautiful flower. Thoughts concerning the beauty of plants referring on Immanuel Kant*. Invited lecture conference: "Pflanzen – Gestaltungsmittel oder dekoratives Beiwerk?" Technische Universität Dresden.
- 11/03/2002 Der schöne Schlot. *The beautiful chimney*. Invited panel presentation. Conference "Natur und Umwelt in Deutschland nach 1945". Historisches Seminar Freiburg
- 03/28/2001 Nature as a Design Question. Visiting Lecture at Rutgers, The State University of New Jersey.
- 04/09/2001 Rain Water Management. Visiting Lecture at Rutgers, The State University of New Jersey
- 12/06/2000 Gesuchter Sinn - Stadt ist Stadt / Landschaft ist Landschaft. *Seeked sense – town is town / landscape is landscape*. raum01 planungsforum München
- 11/19/1999 Zur Stellung der Landschaftsarchitektur in Weihenstephan. *Concerning the position of landscape architecture at the Center of Life and Food Sciences Weihenstephan*. Hochschultag TUM-Weihenstephan
- 01/20/1999 Postindustrielle Landschaft. Post-industrial landscapes. Visiting Lecture at Brandenburgische Technische Universität (BTU) Cottbus

- 09/29/1998 Landschaft und Gestaltung. *Landscape and design*. Conference: Die neuen Medien - der Raum und die Grenzen. BTU Cottbus und Kulturkreis der deutschen Wirtschaft im BDI.
- 04/03/1998 Nature as an Issue in Planning Theory. Paper presentation. Conference: Planning Theory Conference Oxford. Oxford Brookes University
- 06/28/1998 Post-Industrial Landscape. Conference Urban Ecology. UFZ - Umweltforschungszentrum Leipzig / Halle
- 05/27/1995 Artefact Landschaft. Conference: Kunst und Landschaft. Kulturstiftung des Freistaates Sachsen und Siemens Kulturprogramm

Design Studios Taught

Advanced Landscape Architecture I (Senior Housing & Open Space Design studio; urban design of housing (re-)development and site specific design of public and residential open space). Undergraduate Program of Landscape Architecture, Rutgers University.

Intermediate Landscape Architecture I. (Environmental planning studio, regional design) Undergraduate Program of Landscape Architecture, Rutgers University.

Study Abroad Studio, Summer Program Germany (contemporary landscape architecture, urban design/planning, history of landscape architecture, and history and culture of Germany). Department of Landscape Architecture, Rutgers University.

Introduction to Environmental Design II (Introduction into landscape architecture site design and planning methodology). Undergraduate Program of Landscape Architecture, Rutgers University.

Intermediate Landscape Architecture II. (Design studio; public open spaces including plazas, squares, parks and pedestrian streets) Undergraduate Program of Landscape Architecture, Rutgers University.

Landscape Architecture Praxis Studio Urban Design, Collaboration with the Rutgers Bloustein School of Planning and Public Policy.

Special Problems in Landscape Architecture (Team NJ Solar Decathlon entry in cooperation with School of Architecture at New Jersey Institut of Technology). Undergraduate Program of Landscape Architecture, Rutgers University.

Landscape Architecture Design Studio I (space and structure analysis, conceptual elaboration of programs, housing). Technische Universität München.

Landscape Architecture Design Studio II (use of planning methodologies and integration of sociology, plant appliance etc.). Technische Universität München.

Landscape Architecture Advanced Design Studio III (Content linked and methodical consolidation of project work to deepen advanced skills). Technische Universität München.

Esquisse de 2^e Année par des intervenants étrangers. *Second year design exercise with invited foreigners*. (Studio) École National Supérieur du Paysage, Versailles

Teaching "Seminare International" (Studio) Institut National d'Horticulture Angers, Departement Paysage

Junior Coach international workshop IBA Fürst-Pückler-Land, "New Landscapes" at TU Cottbus.

Co-teaching "Urban Sprawl", pilot phase of international BAUHAUS-Kolleg, BAUHAUS Dessau

Seminars Taught

Theories of Landscape Architecture. Graduate Program of Landscape Architecture, Rutgers University

Concepts of Preservation and Design of Postindustrial Landscapes. Graduate Program in Landscape Architecture. Cross listed with Graduate Program in Cultural Heritage and Preservation Studies. Rutgers University.

Professional Practice (Lecture and Seminar on legal, administrative aspects of the profession, preparation for job portfolios and interviews) Undergraduate Program of Landscape Architecture, Rutgers University.

Landscape Studies 101 (Lecture and Seminar on Landscape Perception and Aesthetics for incoming Freshmen). Undergraduate Program of Landscape Architecture, Rutgers University.

Theories of Landscape Aesthetics (Lecture and Seminar on Aesthetic and Cultural Theory for Landscape Architects). Undergraduate Program of Landscape Architecture, Rutgers University.
