

Graduation Requirements

Environmental Planning Minor (18 credits)

Course #	Credits	Name
Requirement	9	Environmental Planning Core
11:573:202	3	Environmental Issues
11:573:231	3	Fundamentals of Environmental Planning
11:550:230	3	Environmental Design Analysis
Plus 9 credits from:		Planning Electives
11:375:202	3	Water and Wastewater Treatment
10:762:233	3	Urban World
10:762/833/843:210	3	Principles of Public Policy
10:762:306	3	Principles of Urban Planning
10:762/832/971:202	3	Designing Healthy Cities
10:762:335	3	Gender, Family & Public Policy
10:762:413	3	Urban Revitalization
11:216:474	3	Advanced Remote Sensing Image Analysis - Prerequisites: 11:216:371 or 01:450:322
11:373:362	3	Natural resource Economics
11:373:362	3	Environmental Economics
11:375:307	3	Solid Waste Management and Treatment
11:375:322	3	Energy Technology and Environment
11:550:231	5	Introduction to Environmental Design
11:550:331	5	Environmental Planning Studio
11:550:332	5	Praxis Studio I (Junior) Section OD
11:573:232	3	Fundamentals of Environmental Geomatics
11:573:302	3	Ecological History of North America
11:573:437	3	Sustainability Decision Tools
11:573:437	3	Spatial Data Visualization and Map Design – Prerequisite: 11:573:232 and 11:573:233 or equivalent
11:573:444	3	Watershed Planning and Management
